What Gen. Palmer Says. Gen. John M. Palmer, the Democratic candidate for Governor of Illinois, recently said: "I think the campaign in Illinois will be the most energetic in the history of the State."

Now vs. Then. The Liberty of President Cleveland's Administration to the Soldiers. What the Official Records Show.

Documents. For further facts regarding the pension act, and to Benjamin M. Neal, Secretary Democratic State Committee, Harrisburg, Pa.

CONGRESSMAN WILLIAM T. SCOTT, of Erie, was in New York on Wednesday, and viewed the meeting of the Republican national committee from a distance.

A STRONG TEAM.—The Cincinnati Enquirer says: "The controlling spirit of the Democratic campaign management will be Baranov, Brien, Gorman and Scott."

Head Lines. Col. James Carver, of Sharon, Pa., lately one of the most prominent iron manufacturers in the West, was said to have written in a letter vehemently denying the charge.

NEW YORKERS. The net increase to the rolls during the fiscal year 1887, 1888 and 1889, was 126,228 original, 191,221 increase and 21,905 miscellaneous recruits.

THE NEW YORK Herald says that Cleveland has seven chances in an even fight with Harrison and Morton.

THE DEMOCRACY TO-DAY has better material than the Union Democracy of 1860. It is one of the unalloyed signs of a new era.

Blaine Then and Now. A contemporary has gone back to 1860, and has looked against the tax on lumber in the following emphatic language:

Not a Partisan. The Philadelphia Ledger in reviewing Mr. Cleveland's policy of protective tariff, has had occasion to say that there have been few Presidents of the United States who have so conspicuously displayed so high a degree of moral courage.

WIDOWS' BENEFITS. The approval of the Act of January 7, 1887, which has increased the pension rolls in all cases filed subsequent to June 30, 1880.

SENATOR GORMAN, chairman of the Democratic National Campaign Committee, and says the outlook in New York city is very encouraging.
