

COUNTY FARMER KILLED AT YORK

William B. Jacobs Meets Tragic
Death While Visiting
Relatives.

ENGINE STRUCK TRUCK

His Nephew, Howard Jacobs, is Now
in York Hospital, But Not Seriously
Injured.

William B. Jacobs, aged 75 years, who resides on the road between Gettysburg and Arendtsville, was instantly killed this morning when the truck on which he was riding was struck by a Western Maryland passenger engine on a crossing just this side of West York. Howard E. Jacobs, of near York, his nephew, who was driving the machine, was injured, but not seriously. He is in the York hospital.

The accident occurred shortly after eight o'clock this morning. The engine was pulling the passenger train which arrives in Gettysburg at 9.41. Reports of the accident gave no explanation of the failure of Young Jacobs to see the approaching train. There is an unobstructed view of the tracks in both directions, it is said. It is thought the men were conversing and did not notice the oncoming train.

William B. Jacobs is a farmer and fruit grower. Accompanied by his wife, he went to York Thursday evening to spend some time with Mrs. Florella Jacobs, Mr. Jacobs' sister-in-law. This morning, Mr. Jacobs and his wife were taken by Ira Jacobs to the farm of Howard Jacobs, a few miles from York, to spend the day.

Howard was just loading a truck with cans of milk when the party arrived and the elder Mr. Jacobs decided to accompany the young man to a York creamery.

When they reached the railroad crossing in West York, the truck was hit squarely by the Western Maryland engine. Their machine was dragged between 40 and 50 feet up the tracks.

The York county coroner was immediately notified and an inquest is scheduled to be held to fix the blame for the death of Mr. Jacobs. Howard Jacobs, driver of the truck, is a brother of Raymond D. Jacobs, who was recently killed in the warfare between strikebreakers and miners at Herrin, Illinois.

The dead man is survived by his wife and the following sons and daughters: William, Hammers' Hall; Charles, South Washington street; Ira, of West York; Alverna, at home; John, of Philadelphia and Mrs. Harry Heintzelman, of near Harney, Maryland. These brothers and sisters survive: John Jacobs, of East Berlin; Mrs. Susan Hykes, of near East Berlin; Mrs. Kate Raffensperger, near Hunt-erstown; Mrs. Elizabeth Zapp, of East Berlin; Peter Jacobs, West York.

Funeral arrangements have not been made.

FEW ATTENDED PICNIC

One of the smallest crowds for many years Thursday attended the 48th annual reunion of the Presbyterian Church, held at Pen-Mar. The Rev. Dr. W. L. Wishart, pastor of Eighth United Presbyterian Church of Pittsburg, was the principal speaker of the occasion.

Dr. Wishart delivered a forceful sermon, in the auditorium. Several brief talks were heard by visiting ministers, during the services.

HOSPITAL REPORT

Three patients were admitted to the Annie Warner Hospital this morning for the removal of tonsils. They are Sarah Martin and Charles R. Rupp, of Gettysburg, and Nevin N. Weikert, Orrtanna.

MRS. JACOB C. ECKENRODE

Mrs. Elizabeth Eckenrode, wife of Jacob C. Eckenrode, who died at her home, 132 Chambersburg street, Tuesday morning, was buried this morning. A high mass of requiem was celebrated in St. Francis Xavier Church at 10 o'clock, conducted by her pastor, the Rev. Mark E. Stock. Interment was made in the Catholic Cemetery.

The pallbearers were Theodore Kimple, William F. Codori, Howard Hartley, Samuel Rhine, Charles Zhea and Peter C. Stock.

MEN HELD UP AND ROBBED OF \$129

Thieves Take Cash, Revolver,
Keys And Automobile From
Baltimore Salesmen.

WERE LATER CAPTURED

Local Officers Caught Negroes as They
Were Hastening Away on Foot. Re-
cover Most of Money.

S. H. Horsey, and H. C. Scott traveling salesmen from Baltimore, were held up by two negroes on the Lincoln Highway about 9:30 o'clock Thursday evening and robbed of \$129 in cash and the touring car in which they were riding. After being notified of the holdup, Detective Charles H. Wilson, Gettysburg, started on the trail of the thieves and captured them at 5 o'clock this morning, a short distance on this side of Cashtown.

The holdup, it is said, was staged in a moving picture fashion. The men were armed. They shot into the machine twice before Mr. Horsey brought the car to a stop. The money was then demanded by the bandits and they also took a valuable revolver, and keys. Mr. Horsey was ordered to get out of the car and the thieves started off in the machine, which also carried the salesman's baggage. The holdup took place on the Lincoln Highway between New Oxford and Abbottstown.

Wilson Starts Out

A half hour later, Mr. Wilson was notified by telephone of the holdup and in discussing the features of the affair, he understood over the telephone that "two young men" had performed the deed instead of "two colored men." This mistake later caused Mr. Wilson, to pass the perpetrators of the holdup on York street and not suspecting them, passed on in his search. The thieves motored to Gettysburg in the stolen machine, it is said, and then abandoned the car on York street. Mr. Wilson continued his search on the Lincoln Highway east of town, after passing the thieves and stopped many automobiles, until he was certain he had missed his men.

The search was then taken up on the Lincoln Highway, west of town and conducted for many hours without finding any clues of the thieves. Ear- (Continued on Third Page)

MISS BIGHAM WEDS IN CHURCH

County Girl Becomes Bride of
California Man. Ring Cere-
mony Used.

UNITED BY BRIDE'S UNCLE

Romance Began When Both Were Stu-
dents at Wooster College, Ohio. Will
Reside in California.

Guests from many sections of the county attended the wedding of Miss Mary Agnes Bigham, Cumberland township, and Robert McDowell Leavitt, of Fresno, California, Thursday evening in the Presbyterian Church here. Using the ring ceremony Dr. W. S. Barnes, of Tunkhannock, this state, uncle of the bride, united them. He was assisted by Rev. W. C. Robinson, pastor of the local Presbyterian Church.

The bride is a daughter of Mr. and Mrs. W. A. Bigham, Cumberland township. Mr. Leavitt is a son of Mrs. Lily Leavitt, of Cleveland, Ohio.

Promptly at 7:30 o'clock to the strains of the wedding march the bridal party entered the church, which was elaborately decorated with greens and seasonal flowers. The bride was given away in marriage by her father.

George Daniels, of Canton, Ohio, was the best man, while the maid of honor was Miss Ruth Bigham, of Denver, Colorado, sister of the bride. The bridesmaids were Miss Elizabeth Bigham, Gettysburg; Miss Emily Leavitt, Cleveland, Ohio; Helen Daniels, of Canton, and Mrs. C. A. Bigham, of Gettysburg. The ushers were C. A. Bigham, J. P. Gilliland and Clarence Sheely, of Gettysburg, and Roswell Barnes, of Tunkhannock. Margaret Reinhold was flower girl and her brother Henry, was the ring bearer. Both are of Taneytown, Maryland.

The bride wore a gown of white canton crepe and a veil of tulle, caught with a wreath of orange blossoms. She carried a bride's bouquet of white roses and lilies of the valley.

The maid of honor wore a gown of jade green satin and carried yellow roses. Two of the bridesmaids wore sweet pea organdie and the others salmon colored organdie. All carried pink rosebuds and larkspur.

After a wedding tour Mr. and Mrs. Leavitt will go to Fresno, California, where Mr. Leavitt is engaged in business.

Mrs. Leavitt is an alumnus of Gettysburg High school and for two years attended Wooster College. Mr. Leavitt is an alumnus of Wooster College and last year attended Columbia University in New York City.

Seventy five persons were present at the reception given at the home of the bride's parents following the ceremony.

YORK WINS MATCH

Second Team Defeats Quaker Valley
Club Players.

Quaker Valley Country Club golf players lost the match Thursday afternoon to the York Country Club second team by score of 27 to 9. A large gallery witnessed the exhibition. Eight players composed each team and they were divided into foursomes.

Two points were awarded on each of the eighteen holes, one for low individual score and one for low team score. Richard Bear, of York, made the low score of the day. He played the first nine holes in 42 and the second in 44. J. D. Swope, of the Quaker Valley Club, made the low score for his team with a total for 18 holes of 90.

The local team consisted of J. D. Swope, W. C. Tyson, D. J. Forney, S. F. Lehman, W. D. Himes, Grover C. Myers, Harvey Lewis and C. A. Griest.

The York team was composed of Dr. C. H. Ehrenfeld, C. H. Bear, Jr., W. I. Cockley, Alexander E. McClean, H. B. Mehring, Robert McPherson, Frank Zercher and Dr. F. V. McConkey.

Fifty persons attended the dinner served after the match and 75 were present for the dance in the evening.

MAN NOT HELD FOR HITTING OFFICER

Abbottstown Citizen Convinces
Magistrate He Did What
Was Right.

When he succeeded in convincing the magistrate that he had acted within his rights as a citizen when he hit Constable E. J. Wambaugh, over the head with a pop bottle, H. J. Mueller, of Abbottstown, was discharged at a hearing before Alderman N. C. May. Mueller was charged by the Hallam constable with assault and battery. It developed at the hearing that Wambaugh became involved in a fight with a Hallam man much his inferior in weight and general fighting ability. Mueller hit the constable because he could not bear to see the little man beat up by the officer.

According to residents of Hallam, some time ago a restaurant owner in that town and the 18-year-old son of the constable went on a week's vacation to Atlantic City. The constable claimed that they had been accompanied by two young women and was bitter against the restaurant owner, charging that he was using his influence to mislead the boy.

According to Mr. Mueller, the defendant in Wednesday's suit, he was returning to his home in Abbottstown from Philadelphia and had stopped over in Hallam for a short time. Walking up the street from the railroad station, he saw the constable assault the smaller restaurant keeper as the latter dismounted from an automobile. Mr. Mueller says that the constable, who weighs over 200 pounds, felled the lighter man with a few blows, and then kicked him brutally about the head and face. While the big officer was administering the beating to the restaurant proprietor, the latter's wife stood on the balcony of her home and called to the constable to "give it to him," it is claimed.

Mr. Mueller said that he could not stand by and see a man so inhumanly treated, and started to part the fighters. From the actions of the of- (Continued on Fourth Page)

TRUCK DEVELOPS HIGH PRESSURE

Firemen Hold Drill And Special
Meeting. Committees to Hold
Joint Session.

Firemen of the Gettysburg Fire company held their weekly drill on Thursday evening near the warehouse of the John C. Lower Company, Railroad street. The Boyd motor truck developed a pressure of 250 pounds to the square inch with a single line of hose equipped with an inch and a quarter nozzle, while with two lines of hose, equipped with inch and a quarter and three quarters inch nozzles, a pressure of 180 pounds was developed.

Following the fire drill, a special meeting of the company was held when the fatigue uniform was finally adopted. This will consist of the regulation trousers, white silk shirt and red necktie. It was also decided to purchase a standard silk American flag to be used in parades and a banner on which the name of the company is inscribed. This will be three feet by twelve feet in size, with red background and white letters.

It was announced at the meeting that the three committees, which will have charge of the drive for funds for the purchase of an auxiliary piece of fire apparatus, in the form of a motor chemical truck, will hold the first joint meeting next Monday evening, when preliminary arrangements for the drive will be made. This committee is composed of the following members, from Fire Company: J. B. Aumen and D. C. Stallsmith; from Town Council: Roy P. Funkhouser and J. E. Snyder; from the Chamber of Commerce: John W. Brehm and J. L. Williams, Esq.

WILL SOON ERECT NEW MISSION

Rev. Jens Larsen Gives Interest-
ing Address on Africa at
Summer Assembly.

ATTENDED SCHOOL HERE

New Station Financed by Lutheran
Summer Assembly Will be Built in
Short Time.

How the \$5,000 raised at the Lutheran Summer Assembly two years ago for the purpose of establishing a new mission in Africa was described at the session of the Assembly Thursday evening by Rev. Jens Larsen, who recently returned from Africa after spending three years in that field. Mr. and Mrs. Larsen are attending the Assembly. Mr. Larsen was graduated from the Seminary here in 1919 and went directly to the African mission field.

The missionary explained that he had assisted in the preliminary work connected with the erection of the mission, which is to be known as the Gettysburg Summer Assembly Station. Two years ago members of the Assembly contributed the sum of \$5,000. This amount is now waiting the time when the building can be started.

Sister Laura Gilliland, who has spent seven years at the Lutheran mission in Monrovia, was also on the program. She is connected with the hospital of the mission.

Mr. Larsen explained the extreme need of the new station, which is to be located near the French border. He said the chieftan of that section had surrendered to civilization and would welcome the erection of a station there. The need for higher education at the mission stations was especially emphasized by the missionaries as well as medical assistance.

Services Thursday evening began at 6 o'clock with a reading by Mrs. Elsie Singmaster Lewars of her own story, "Neighbors." Miss Jennie Streig, of Wilson College, conducted her regular Bible hour.

One of the interesting features of the Assembly are the reports of Mrs. E. H. Copenhaver, of Marion, Virginia, who has been active in work among the negroes.

Attendance at the Assembly is slightly larger than last year and there were a number of Gettysburg residents availing themselves of the opportunity to hear the speakers. All meetings are open to the public.

BUSES IN PLACE OF TROLLEYS

Chicago Solving Street Car Strike Sit-
uation.

(By Associated Press)

Chicago, August 4.—Mayor W. Hale Thompson's plan for relieving the street car situation with motor buses on a five cent fare basis, has resulted in the broadcasting of a general invitation to all bus owners in the middle west to bring their cars to Chicago and operate them. No license is required so long as the fare is but five cents.

The fourth day of the strike saw an improvement in the makeshift system, replacing the surface and elevated cars. With practically all the down town streets limited to one way traffic and motor cars running six and eight abreast, the confusion is disappearing. Thousands of jitney drivers have gotten down to regular routes and are handling the 3,000,000 daily passengers with little trouble and no delay.

MOTH DOES DAMAGE

Ravages from the angoumois grain moth are again reported by the Adams County Farm Bureau in this section. Heavy losses were sustained by farmers last year in certain sections. This year it is reported active in many localities, but not in as large numbers as in 1921.

The moth may be killed by the use of carbon bi-sulphide. A pint of this liquid is considered enough to treat 100 bushels of wheat.

The funeral of Levi E. Bushman, who died at his home on Steinwehr avenue Tuesday evening, was held Thursday afternoon, with services at the house at 1:30 o'clock, the Rev. Harry Brindle, officiating, assisted by the Rev. D. B. Wineman. Interment was made in Evergreen Cemetery.

The pallbearers were three sons of the deceased, Harvey Bushman, Oscar Bushman and Rufus Bushman, also Leo Bushman, a relative.

LAUNCH STATE FAIR PROJECT

Local Chamber of Commerce
Joins in Movement to Secure
Site in This Section.

ORGANIZATION ON WAY

W. H. Tipton Named Member of Gen-
eral Committee. Next Session to be
Held in Chambersburg.

Organization plans were formulated Thursday afternoon in Carlisle for the purpose of securing the site of the State Fair in one of the Central Pennsylvania counties. Delegations representing Chambers of Commerce from Adams, Dauphin, Cumberland, Franklin and Fulton counties were present at the luncheon when the organization was launched.

W. H. Tipton, of Gettysburg, was named on the general committee. Other members of the Gettysburg Chamber of Commerce in attendance were: A. P. Plank, president of the local Chamber; George Hartman, secretary; C. W. Cook, vice president; H. E. Riddlemoser, C. B. Dougherty and P. W. Stallsmith. The next meeting will be held in Chambersburg, the exact date of which is to be selected later.

Members of the delegation from Gettysburg returned optimistic as to the outcome of the efforts of the joint committee. No site was decided upon by the organization Thursday, but this matter will come up at the next meeting.

After the organization was completed, a general discussion was regarding the requirements the site selected must have. A number of locations have been suggested in central Pennsylvania counties, but because of impenitency of the proposition being considered, no attempt was made to reach a decision.

Railroad facilities is regarded as one of the most important factors in selecting the site. It was pointed out that the fair will attract thousands of persons and that good rail transportation was the first consideration. Improved highways were believed to be of next importance, but factor presents little or no problem as the roadways in this part of the State are in first class condition.

Housing facilities were discussed at length and from the expression of opinion, the majority of the committeemen will favor locating the fair near a center of population. Those interested in the proposition believe the possibilities of having the exhibition located in Central Pennsylvania are excellent.

Columbus, Ohio, Aug. 4.—Fire believed to have been caused by defective wiring caused damages of \$500,000 to the administration group of 5 buildings the Ohio state fair grounds here today, five firemen were injured fighting the flames. State officials say the destruction will not prevent the annual fair being held on the date scheduled.

TROOPS FIRED ON FROM AMBUSH

First Hostility in Taking Over
Mines Occurs Near Staun-
ton, Indiana.

TROOPERS RETURN SHOTS

Automatic Rifles And Machine Guns
Brought Into Action. Report One
Man Slightly Injured.

(By Associated Press)

Staunton, Ind., Aug. 4.—First hostility in connection with the taking over of the mines by the state occurred today when national guardsmen on guard duty were fired on from ambush. The fire was returned by the guards and later the firing was taken up over the entire area. Automatic rifles were brought into action by the troops and the firing continued for more than an hour.

The continued firing was the result of the "take-no-chances" orders given the militia. No one is supposed to be in the occupied zone without a pass and the men with passes are supposed to travel only on the public highways out in the open. As a result when the attacking persons fired, the militia swept the spot with machine gun and rifle fire.

Reports received by Major General Robert Tyndall, in command of the troops, said that no one was injured. It was said, however, by some of the men on duty that one man was slightly injured. Investigation by military officials indicated that although the firing lasted some time the attacking party was small.

ACCUSES MR. MUNSEY

Senator Gooding Says Publisher Has
Selfish Interests.

(By Associated Press)

Washington, Aug. 4.—Frank A. Munsey, owner and publisher of the New York Herald, was charged today in the senate by Senator Gooding, of Idaho, chairman of the Republican agricultural tariff bloc with fighting the administration tariff bill in the interests of his investments in Europe. Asserting that Mr. Munsey had interests in steel plants, mines, glass factories, pottery plants, woolen mills, 16 best sugar factories and other industrial institutions in foreign lands, Senator Gooding declared it "was not hard to understand why Mr. Munsey had turned his hounds loose on those senators who are trying to protect American industries and American labor."

"Nor is it strange that he has singled out the members of the tariff bloc of the Senate," he continued, "for without the steady influence of the tariff bloc this propaganda that has been going on, Munsey Goldman and the international bankers and their kind would have defeated any attempt to pass a protective tariff measure at this session."

When Senator Gooding concluded his resolution for an investigation was reported adversely by Chairman Calder, of the senate expenditure committee.
