The narrow confines of the ship kept members of the United States
Olympic team from practicing as vigorously as they might have desired,
so Glenn Cunningham (left), distance star, skipped rope for exercise,
and Jesse Owens, Ohio State's athlete extraordinary, practiced broad
jumps while wearing soft-soled shoes. (Associated Press Photos)

Today's Talk

By George Matthew Adams

THE BOAST OF WISDOM

IF WE are honest with ourselves, we will confess daily of our ignorance.
I came across this illuminating paragraph in Marcus Aurelius in
my reading: "How is it that souls untrained and ignorant confound the
trained and wise? The answer is, What soul is trained and wise? That
only which knows the beginning and the end, and the reason diffused
through all being, which through all eternity administers the universe in
periodic cycles."

Tomorrow r. Adams will talk on the subject: "Don'ters."

Armada! Won: The running race
between Col. John H. McClellan's
"Armada!" and Joseph A. Ocker's
"Bealm," came off at Pottstown,
Pa., on Friday and was won by the
former. It was a mile and a half
dash for \$1,000, a side, making a
purse of \$2,000. Armada! was rid-
den by J. J. Carter, a noted jockey
from Lexington, Ky. Bealm! by
Sam Fisher. The former led all the
way and won by five lengths. Time:
1st quarter 24 1/2, 2nd 25 1/2, 3d 27, 4th
29 1/2; full mile 1:46 1/2, 1 1/2 miles
2:43 1/2. The race excited a good
deal of interest, being the third trial
between the two horses and was at-
tended by a number of sportsmen
from Gettysburg, Littlestown, Han-
over, Carlisle and other places. It
is said that a good deal of money
changed hands besides that in the
stakes.
On Saturday week, while John H.
Beecher, of Cumberland township,

foot badly. Dr. T. T. Tate was called

surgical attention.

Grand Army post sending wreaths
and flowers. During the afternoon
Col. Fred Grant visited the tomb,
and Mrs. Grant sent handsome
floral tributes.
Current News and Notes: On Fri-
day Steve Brodie, a New York boot

himself by jumping from the Brook-
lyn bridge into the East River, a
distance of 120 feet. He was later
taken out of the water all right, ex-
cept a few bruises, and had a high
old time with his 4th ward cronies,
until a police got hold of him and
locked him up. The penalty for
such lunatics is imprisonment not
exceeding two years and a fine not
exceeding \$1,000.

Sixty Russian Jews landed at New

Advertisement for Chesterfield cigarettes featuring an image of a pack and two men smoking. Text: tell me...why are they Milder...why do they TASTE BETTER. Well, first off, all cigarettes are not alike...not by a long shot. Now Chesterfields...they are milder because they are made of mild, ripe tobaccos...both home-grown and Turkish. They age these tobaccos for two years to take out all harshness. These tobaccos are not only blended but cross-blended...this brings out the better taste of each tobacco. It welds the different flavors into one better flavor. It helps to make Chesterfields taste better. When you smoke a Chesterfield you realize they're not like others...They Satisfy.
